

Connecting your Harvard LinkedIn Learning Account to your LinkedIn Profile

1. Login to LinkedIn Learning using the Harvard site (<https://linkedinlearning.harvard.edu/>) on the desktop site, not the mobile app.
2. Open up any course
3. Click the Q&A Section on the right-hand side of the video player

4. A pop-up will appear saying “Connect your LinkedIn account to get access to Q&A” *

5. Click the “Connect my LinkedIn Account” button
6. You will be prompted for your LinkedIn Login and Password
7. Once those are entered, your LinkedIn Learning history will be shared with your LinkedIn Profile

* If you don't see this pop-up, and instead see the ask a question box, that means your account is already connected to a LinkedIn profile, which you can confirm by checking the “Me” icon at the top of the LinkedIn Learning screen.
